GENERAL AUCTION RULES

1. Values set forth for all auction items are donor's estimates and are not warranted by Best Buddies for tax purposes or for general value.

2. Best Buddies has endeavored to catalogue and describe the items or services correctly, but everything is sold "AS IS". Certain auction items or services may have restrictive use or other qualifications which may affect value, application or the use thereof to the purchaser. Many items such as vacation homes and condos are non-transferable. Purchasers are bound by the precise restrictions specified by donors. The terms are non-negotiable. Please read the Table Tents (with item descriptions) (for the Silent Auction items) and the other descriptions of the Live Auction items carefully for information, restrictions and limitations on each item before making a bid.

3. The highest bid at closing is the winning bidder. In the event of a dispute, Best Buddies shall act as the final authority and shall determine the winning bidder.

4. Payment by Winning Bidders may be made by cash, check, VISA, American Express or MasterCard. Payment in full this evening is mandatory.

5. All sales are final. There will be no exchanges or refunds on items, except when specified. Items may be removed this evening only by exhibiting a PAID receipt.

6. Unless otherwise noted, items and services are good for one year and must be used before the date of the auction – one year from now. Unless specified, dates and times are to be arranged at the mutual convenience of both the donor and the buyer. Buyers are responsible for making arrangements in advance, checking expiration dates and restrictions on contracts and gift certificates, and for retaining the original paperwork until the donation has been redeemed. Please check the restrictions listed in auction catalogue or Table Tent (with item descriptions) before making a bid.

7. Getaways: Resort and family properties are not available to student groups or minors unaccompanied by adults. Commercial vacations and accommodations require advance reservations; offer is good on a space available basis; unless otherwise noted, meals, alcoholic beverages, taxes and gratuities are not included. Air fare is not included with a trip unless specified. Please check the restrictions listed in auction catalogue or Bid Sheet before making a bid.

8. Your bid on Bid Pal constitutes a legal contract to purchase the item specified.

9. Best Buddies reserves the right to add or withdraw, without notice, items from the auction.

10. Best Buddies makes no express or implied warranties or representations of any kind or nature with respect to the property or services sold at the Auction. All bidders that purchase any items or products from Best Buddies release and agree not to sue Best Buddies, its officers, coordinators, organizers, volunteers, directors, agents, employees, lessors, representatives, sponsors, co-sponsors, heirs and successors in connection with any and all losses or damages in any claim or demands on account of injury to the person or property, or resulting in death or monetary loss to the bidder and buyer, whether caused by negligence or other wrongful act or omission or otherwise which may occur, directly or indirectly, from the purchase or the use of the merchandise. The bidder and buyer further expressly agree that this release is intended to be as broad and inclusive as permitted by applicable law, and if any portion is held invalid, it is agreed that the balance shall continue in full legal force and effect.

SILENT AUCTION BIDDING PROCEDURES

1. Silent Auction tables will be open for bidding at 6:30 pm and will close at approximately 8:15 PM (an announcement will be made prior to closing).
2. Please note that starting "minimum bids" have been assigned for each Silent Auction item.
3. Winning bidders in the Silent Auction will be able to pick up their item(s) before they leave the Event. Those not present at that time will be notified after the event to make arrangements for payment and pickup of item(s).
4. Sheets describing each item are displayed near each item. PLEASE NOTE: your bid on Bid Pal constitutes a legal contract to purchase.
5. The highest bid at closing is the winning bidder. In the event of a dispute, the Auction Manager will have sole and final discretion to determine the winning bidder.

LIVE AUCTION BIDDING PROCEDURES

1. All Live Auction items must be removed from the auction location within one day after the Event. Best Buddies cannot assume responsibility for items left after that time. Information regarding delivery of items at purchaser's expense is available at the Check Out table. Special arrangements for pickup or delivery of large items must be made at the time of payment.
2. The highest bidder acknowledged by the Auctioneer shall be the purchaser. In the event of a dispute between bidders, the Auctioneer shall have a sole and final discretion to determine the successful bidder, or to re-offer the items in dispute.
3. At the "fall of the Auctioneer's hammer," title passes to the highest bidder. At that point, a valid and enforceable contract exists between the winning bidder and Best Buddies. The winning bidder must sign the Live Auction Bid Form as acknowledgement of the bid, including the bidder number, amount of the bid and desired form of payment; however the failure to sign the Bid Form does not affect the contract.

IMPORTANT REMINDER

The success of the Auction depends on the goodwill of the donors and on careful observance by the buyers of terms stated on the bid sheets and gift certificates. BUYERS SHOULD NOT ATTEMPT TO ALTER THE TERMS OF A DONATION.

IMPORTANT TAX INFORMATION

Federal income tax laws and regulations impose important requirements concerning the documentation you must have in order to substantiate the deductibility of certain charitable contributions. Auction purchases are tax deductible only to the extent that the amount paid exceeds the fair market value of that item. Further, the Internal Revenue Service now requires charitable organizations to provide receipts listing the fair market value of each item. At the auction and in the week following the auction, you will be provided with a receipt that will list both the fair market value of each item purchased as estimated by the donor of the item and the amount you paid for the item. Please save the receipt for your records in order to substantiate any income tax deductions you may take as a result of your auction purchases. Buyers and donors should consult with their tax advisors for definite advice concerning deductibility.
